ACHIEVING PERSONAL BEST

CAMP COORIEMUNGLE

This is a special edition, photo heavy, camp edition communication. We have been having an amazing time down here at Camp Cooriemungle. The staff have really looked after us and we have been extremely well fed over the past 2 days! Tomorrow morning we head back to Yaapeet and it has been a terrific experience for our students. I believe that each and every one of them has tried something new or pushed themselves out of their comfort zone in the past couple of days and we are proud of their growth. To our junior students congratulations on your bravery far away from home. To our senior students well done on showing amazing leadership skills to those who need them.

Zeke Pottage / Acting Principal

DAY 1

We left Yaapeet bright and early and headed on down to Horsham where we had recess. After stopping at Lake Bolac for lunch we arrived only a little later than expected at camp! We chose our beds and got set up, camp gave us a snack and then we packed our bag for an exciting trip down to the beach at Port Campbell.

YAAPEET YABBA

In the water we were lucky enough to see a large ray about a meter wide. The kids dived in the water, built sand castles and we did some under water exploring with our goggles. We found a large Morwong in the shallows and managed to chase it up on the rock pools and catch it without a rod, as we'd already ordered fish and chips we decided to let it go. Nicole from the camp delivered us some dinner and we sat watching the beautiful view over the ocean while feasting on some fried treats.

We jumped back on our faithful little bus and headed down to the twelve apostles. We went at a beautiful time of night and counted the remaining apostles

with a beautiful sunset. After a long day we headed home and tucked ourselves in bed.

DAY 2

After a few hours sleep the kids were up and at 'em! We showered early and headed down for some breakfast. The kids voted on the order of the day and we followed a rough schedule of:

- Giant Swing
- Archery
- High Ropes / Flying Fox
- Bush Cooking
- Eel Fishing
- Canoeing

- Commando
- Dinner
- Talent Show!

The kids are much more tired tonight!

FAVOURITE ACTIVITIES

Here is a list of our favourite activities:

James - High ropes course

Maddi - Eel Fishing

Callum, Emmi and Honey - Canoeing

Amelie - Catching a fish

Maggie - Port Campbell Beach Day

Harry - Canoeing

Carson and Taylor- Archery

THANKS TO EVERYONE FOR AN AMAZING CAMP!
