12 July, 2020.**

**STUDENTS RETURN TO SCHOOL ON  
MONDAY 13TH JULY, 2020.**

3 Way Conferences Monday & Tuesday  
of Week 2

School Council Meeting: 27th July, 2020

## Principal's Message

WELCOME BACK TO ALL OUR STUDENTS! The staff are delighted to be back to normal with all students now returned to school.

We have been busy this week finalising student reports. The 2020 Semester 1 reports have been modified, they will reflect student achievement in Term 1 and Remote Learning. No progress point levels will be used in this report. It has been wonderful to see the student work returned from remote learning and the high standard of work that was completed during learning at home. Well done again to both the students and the parents for their commitment during this term.

I would also like to acknowledge the Department of Education (DET) for their level of professionalism and support to schools and staff during COVID-19. We have been receiving daily updates from the DET since mid Term 1 and regular updated guidelines to support Principals in decision making and how to manage schools during this time. The support by our Regional office in Horsham has also been outstanding. We have also had weekly online meetings with our Senior Education Improvement Leaders and our Community of Practice for primary schools. The collegiate support between schools has been excellent for staff wellbeing.

Over the last two weeks, in Literacy, we have been working on Author studies and Procedural Texts in writing. Last Friday Ms Allan taught the students how to make a very tasty Spaghetti Bolognese and chocolate slice. Today the students made a variety of milkshakes and smoothies with our new kitchen appliances. The students are really engaged and they are learning life skills.

The team at YPS are very excited about Term 3. It will be a busy learning term for students with less interruptions to our weekly timetable. We are also very excited as the Art room refurbishment may be completed during the holiday period and ready for learning in Term 3. The students and staff will enjoy decorating this space once completed to promote creativity and happiness. The school is very lucky to receive major works to improve our school facilities. We hope that by the end of Term 3, we are able to hold a celebration with our families and community to show off this incredible learning space.

I hope all our students and families enjoy the holiday break. I will be looking forward to seeing everyone again on Monday 13th July, 2020 for the commencement of Term 3.

Next newsletter will be on Friday 17th July, 2020.

*Krista Barnes / Acting Principal*

## **FREE MULCH** for Yaapeet community members

The school currently has a large load of mulch along the East boundary fence line which is available to community members. We would like to see this pile reduce greatly before the next fire season approaches. Please help yourselves.

## **COMMUNICATION**

School Phone Number:

53957260 / 0417790748
