KB—School Maintenance Program planning.

Week 10: 14—18th September, 2020

FINAL WEEK OF TERM THREE

Principal's Message

Our Remote Learning program is continuing to be a successful learning partnership for our students during Term Three.

We have been very excited to see the activities the children have completed each week. Thank you to the parents for sending so many pictures of the kids working through their tasks. It demonstrates a real sense of commitment to learning by the students and the wonderful support that is being provided to them by their families. Keep up the great work.

We have included lots of photos of the student's learning in the next few pages.

Our school Curriculum days were very successful, planning for Term 4 is well under way as well as continuing our focus on the review process.

The professional learning for staff has certainly increased due to the availability of technology and the online learning platforms we can access during Remote Learning. We are able to access a wide range of learning opportunities and still maintain connections with our West Grampian Network teams and colleagues.

The team at YPS would like to wish all the dads, a very happy Father's Day and we hope your children have worked hard on the activities we sent home for you.

Wishing you all a wonderful fortnight, stay safe and well.

Krista Barnes / Acting Principal

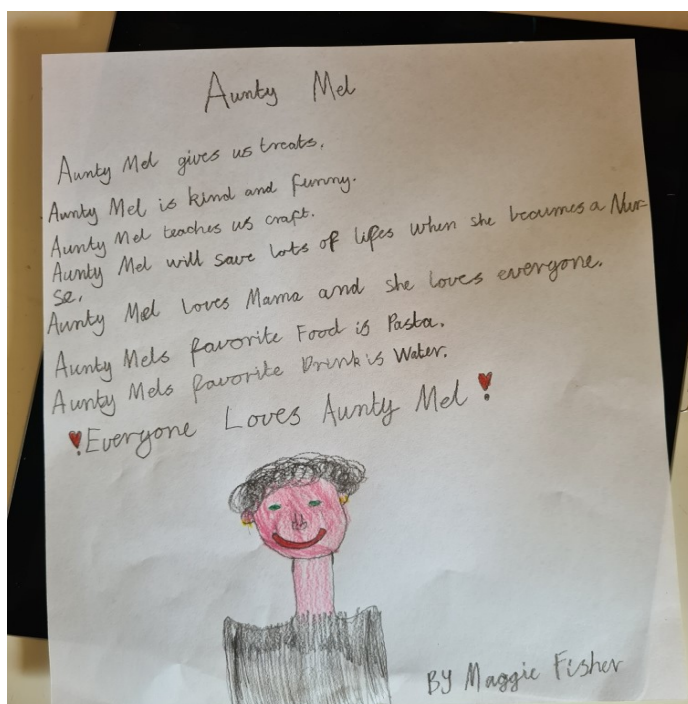

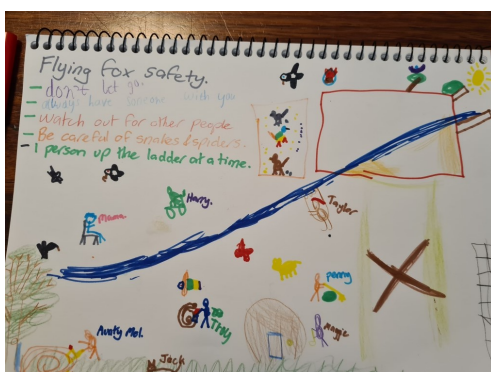

STUDENT OF THE WEEK AWARDS

Week 6—Amelie Fuller for making 3D structures for the family garden.

Week 7 - Maddison Francis—for your amazing 'Pet Project' poster.
